UAT-06	Download PDF	File opens as valid PDF	Pending manual execution
UAT-07	Invalid submission	Required fields are rejected	Automated coverage
UAT-08	API unavailable	Clear connection error is shown	Pending manual execution

UAT sign-off

Manual scenarios should be executed and signed by the designated evaluator. Unexecuted cases are intentionally not marked as passed.

Source basis: Implemented claims are based on the supplied LegalEase repository. Items without repository evidence are explicitly marked pending, future, or not implemented.
